2022 HOLIDAY ON THE HARBOR

FESTIVAL VENDOR
INFO AND INVITE!

December 10, 2022

The Carrabelle Chamber of Commerce cordially invites YOU to participate in the Annual Carrabelle Holiday on the Harbor & Boat Parade of Lights. We hope you will join us for what has become a favorite Christmas event not only for the Carrabelle community, but for much of the Forgotten Coast. We put much effort into avoiding and limiting identical product types. The earlier you register the better! All tents and shelters must be secured by weights by the start of the festival. Booths are on pavement. (Note: All photographs/videos taken at this and other events are property of the Carrabelle Chamber of Commerce and you consent to their use by signing the vendor registration. No images/video may be copied, remixed, transformed, redistributed, or built upon in any medium or format, for commercial purposes without the written consent of the Carrabelle Chamber of Commerce.)

10 a.m.-12:30 p.m. EST Vendor Check-in & Setup

See Vendor Registration personnel at Hwy 98 & Marine Street to receive booth assignment and map. No changing booth assignments. Vendors must provide all necessary tent/cover, furnishings and equipment such as tables, chairs, water hoses, electrical cords, and any other requirements for their booths. Vendors are also responsible for having all required government licenses and to meet all health and safety requirements. The booth fee must be paid on or before the assignment of the booth and is **not refundable** for any reason. Traffic is one way down Marine Street from Hwy 98 & vendor check-in booth because of the narrowness for setting up & dismantling booths. All vehicles must be clear of the vendor area and parked in designated parking area by 12:45 p.m. unless the vehicle is part of the booth display and prior arrangements are made. **ABSOLUTELY** no moving cars in the venue during festival hours, no exceptions.

Festival hours are 1 p.m. - 8:00 p.m. EST Please plan to keep your booth open the entire time from 1 p.m.-8:00 p.m. Breakdown booth after 8:00 p.m. **ABSOLUTELY** no vehicles allowed on Marine Street until after 8 pm.

Note: The boat parade will start at about 7:00 p.m. (right at dark) followed by fireworks finale.

For Information Contact

Lori at (850) 697-2585 or chamber@nettally.com

Please Return Completed Vendor Registration and Check by December 1, 2022 to
